

BOARD OF POLICE COMMISSIONERS
CITY OF LOS ANGELES

REGULAR MEETING - WEDNESDAY APRIL 2 1947

The Chief submitting report on complaint of J. M. ROTHSCHILD against having been refused GUN PERMIT, stating that it is against an established policy of the Department to issue such permits, setting forth several reasons, in accordance with Section 5, Deadly Weapon Act, "Carrying certain firearms without license" and Section 6, "Those exempt from the provisions of Section 5", with the conclusion that the refusal to issue Mr. Rothschild a license was based on the fact that he has no better reasons for carrying a gun than the average citizen of good moral character where no unusual conditions necessitate a deadly weapon being carried; on motion of Commissioner Matthews, seconded by Commissioner Albro, it was ordered that report of the Chief be APPROVED and a copy of same forwarded to complainant, by the following vote:

Ayes: Commissioners Albro, Matthews, Newman, Snyder, President Duque. Noes: None.

The Chief forwarding report on communication from STANLEY E. RAUH, President, Pacific Coast Antique Shows, and LYMAN H. JOHNSON, Executive Assistant, Pan-Pacific Auditorium, requesting a PARADE PERMIT for publicizing the second annual PACIFIC COAST ANTIQUE SHOW at Pan-Pacific Auditorium, in which twelve properly licensed vehicles of ancient vintage will operate on certain streets between 7:00 P.M. and 8:00 P.M., April 9, 1947; and recommending denial, as the placards or signs on the vehicles, according to Sec. 87.50 (b) L.A.M.C., classifies these automobiles as "Advertising vehicles", citing subsections 2, 3, 4 and 6, under Section 87.52, as particularly affecting the conduct of this event in the prohibition of advertising vehicles on certain streets of the city. Mr. Rauh personally appeared before the Board and spoke in behalf of the above, and on motion of Commissioner Newman, seconded by Commissioner Snyder, it was ordered that permit to conduct said parade be GRANTED, by the following vote:

Ayes: Commissioners Albro, Matthews, Newman, Snyder, President Duque. Noes: None.

The Chief submitting list of 61 GUN PERMITS issued during the month of March, 1947, and advising that the proceeds in the sum of \$183 were deposited with the City Treasurer, on motion of Commissioner Matthews, seconded by Commissioner Albro, it was ordered that report be RECEIVED and FILED, by the following vote: Ayes: Commissioners Albro, Matthews, Newman, Snyder, President Duque. Noes: None.

The Chief forwarding communication stating that while he is in entire accord with the Resolution passed by the Board on March 19, 1947, relative to the manner of reporting investigations on complaints, there are certain mechanical difficulties in carrying out the instructions which would require additional personnel he does not have, and suggesting that he be permitted to report, as previously, with the understanding that either he or Assistant Chief Joseph F. Reed will continue to attend each Board meeting, thereby keeping in close touch with the members concerning any important investigation, making sure that the Board receives all information relative thereto; on motion of Commissioner Newman, seconded by Commissioner Albro, it was ordered that the Chief's suggestions be APPROVED, with the understanding that either he or the Assistant Chief attend the meetings, in order to keep the Board in close touch with these matters, and when necessary, that a transcript of record and proceedings be furnished, by the following vote: Ayes: Commissioners Albro, Matthews, Newman, Snyder, President Duque. Noes: None.

MINUTES OF
BOARD OF POLICE COMMISSIONERS
CITY OF LOS ANGELES

REGULAR MEETING - WEDNESDAY APRIL 2 1947

The Chief submitting communication reporting on alleged brutal treatment of ALFORD GILES by police officers, stating that this complaint was brought to the attention of the Department and investigated prior to receipt of the Board's request to investigate sworn affidavits submitted in the case; that in the sworn affidavits of Messrs. Giles, Baldwin and Johnson no complaint is made against Officer Corrozzo, the only officer complained against being Officer McGraw, who resigned from the Department, effective March 4, 1947, and because of this fact, the actions of Mr. McGraw are no longer under the jurisdiction of this Department. Since he is the only one complained against, it is believed that the obtaining of a transcript of the testimony, as requested, would lend nothing to the reports already submitted, and expressing the hope that the reinterviewing of all parties will not be considered necessary.

On motion of Commissioner Newman, seconded by Commissioner Albro, it was ordered that Attorney Gordon be notified that Officer McGraw is no longer a member of the Police Department and we therefore have no jurisdiction over his actions, the matter having been FILED, by the following vote: Ayes: Commissioners Albro, Matthews, Newman, Snyder, President Duque. Noes: None.

The Chief forwarding communication reporting on COUNCIL FILE No. 27421, regarding additional PERSONNEL, submitting a recapitulation of his detailed requests, to-wit:

- (1) Immediate authorization for 500 policemen and 15 sergeants, equipment as set forth and cost.
- (2) Inclusion in budget for 1947-1948 - 1000 men, showing personnel cost and equipment cost.
- (3) If only 500 additional policemen and 15 additional sergeants are to be allowed in the budget, showing (a) Cost current year for equipment and no appropriation for personnel; (b) budget cost;

with the conclusion that the additions to personnel requested in the budget, which has been kept to a conservative level, will provide desirable police protection during the next fiscal year, and will more nearly approach a full and adequate force than the city has enjoyed for the past fifteen years. Due to urgency, an immediate review was made by this Board, and on motion of Commissioner Matthews, seconded by Commissioner Albro, it was ordered that the Chief's report be APPROVED, and forwarded to the City Council for consideration, by the following vote: Ayes: Commissioners Albro, Matthews, Newman, Snyder, President Duque. Noes: None.

The Honorable Mayor forwarding with his approval, intent of proposed amendment to Section 24.00 of the Los Angeles Municipal Code, covering AUCTIONEERS and JEWELRY AUCTIONS, which place Jewelry Auctions under the jurisdiction and regulation of the Board of Police Commissioners through the issuance of permits by this Board; on motion of Commissioner Matthews, seconded by Commissioner Albro, it was ordered that the City Council be petitioned to give favorable consideration to the adoption of a proposed amendment in substantially the same as submitted by Captain Lorensen, by the following vote: Ayes: Commissioners Albro, Matthews, Newman, Snyder, President Duque. Noes: None.

The City Clerk forwarding communication relative to COUNCIL FILE No. 27658, Police and Fire Committee report adopted by the City Council - "That notwithstanding the objection of the Traffic Engineer, the Committee recommends that a CROSSING GUARD be placed at the intersection of Manchester and Avalon Boulevards, and the Board of Police Commissioners so advise."

The Chief submitting report on communication from HARRY E. STEVENSON relative to adequately policing Elysian Park, stating that statistics show crime occurrences in Elysian Park negligible, and as the park is regularly patrolled by units assigned to the district in which it is located, it would be unnecessary at the present time to have horseback patrol, as suggested, on motion of Commissioner Albro, seconded by Commissioner Matthews, it was ordered that report of the Chief be APPROVED, and a copy of same forwarded to Mr. Stevenson, by the following vote: Ayes: Commissioners Albro, Matthews, Vice-President Newman. The Chief submitting report on complaint from CECIL M. PARKS, alleging misconduct on the part of Officer No. 2336 (Officer I. C. Officer Salseda's reports indicate that the questions he asked were routine but seemed to anger Mr. Parks, and there is no indication of misconduct on the part of the officer; and any unpleasantness that occurred was due to the complainant's attitude rather than the officer's, on motion of Commissioner Albro, seconded by Commissioner Matthews, it was ordered that report of the Chief be APPROVED, and the substance of same transmitted to complainant, by the following vote: Ayes: Commissioners Albro, Matthews, Vice-President Newman. Noes: None.
